

HIRSCH VINEYARDS

2022 Bohan Dillon Pinot Noir

David Hirsch was inspired to create the *Bohan-Dillon* Pinot Noir as an homage to the great *village* wines of France: a wine full of place and personality, made with the same care and attention as the top wines, yet at a good price. The Hirsch Vineyards *Bohan-Dillon* Pinot Noir is produced using the same winemaking methods and with the same attention to detail as our other Pinots, thereby ensuring a wine of great quality, traditional varietal character, and sense of place.

The 2022 *Bohan-Dillon* Pinot Noir is made from three West Sonoma Coast sites: the Hirsch and Hellenthal vineyards, situated contiguous to each other, and the Heintz vineyard. This is the second vintage of *Bohan-Dillon* to include fruit from the Heintz vineyard. We selected Heintz for the *Bohan-Dillon* due to its storied reputation and our faith in Charlie Heintz, a third generation farmer. The Heintz ranch is located about 20 miles south of Hirsch, just east of the town of Occidental.

All three of these vineyards produce wines of character and personality, and together they result in a wine of great integrity and complexity.

TASTING & SERVICE NOTES: The 2022 *Bohan-Dillon* opens with a profusion of Rainier cherries and plums. With air, notes of Tahitian vanilla, sarsaparilla, forest floor and wet river stones emerge. The palate is classic *Bohan-Dillon*: soft and round, with wonderful acidity and gentle tannins. The fruit is juicy and dark, with a persistent mouthfeel and long finish.

This wine is fabulously approachable now, and can be enjoyed without decanting. Allow it thirty minutes of air upon opening.

Production:	1,170 cases	
Vine age:	Planted 1990s	81%
	Planted 2000s	15%
	Planted 2010s	5%
